

Arbert "Bert" Rosen

May 31, 1941 - October 20, 2019

Arbert "Bert" Rudy Rosen, age 78, of St. Augustine, passed away on Sunday, October 20, 2019, at home with his family. He was born and grew up in Mott, North Dakota. He enlisted in the US Navy after high school graduation, was trained in aviation electronics, and stationed around the world, ending his military service at NAS Key West. He then moved to Andros, Bahamas, where he worked for AUTEK, and there he met his wife of 50 years, Carol. After building his business from a one-man shop to a thriving company employing well over 20, he retired and in 2007 moved to St. Augustine.

Bert was a skilled craftsman and carpenter, and he loved being on the water on his boat fishing. After retirement, he and his wife traveled the country in their RV, cruised, and enjoyed living in St. Augustine. His family will remember him as a good man who was committed to taking care of his family who he loved and who loved him. He will be missed.

He is survived by his wife, Carol; his daughter, Melanie Ann Rosen Brown (St. Augustine); his son Michael Alan Rosen, his daughter-in-law Julie Rosen, and grandsons Marcus and Aidan (Baltimore, MD); and his sister Beatrice Rosen Vadner (Bowman, ND). He was preceded in death by his brother, Dean Rosen (Bismarck, ND).

“ I just learn with sadness of the passing away of Bert. I remember him well at AUTECH Project on Andros Island. He used to come to my electronic warehouse to get some parts for the radios that he was maintaining. He was always jovial. I extend my condolences to his wife Carol. One Saturday, Carole asked me to bring her nice white cream dress to the Chinese dry cleaner. I was a little embarrassed to carry a dress with me to Nassau but I succeeded because Carol and Bert were very good people. I continue to have a high esteem of them. I think often of them in my retreat here in Canada. May Bert rest in peace. From an autecnic 1965-2016, Roger Perreault.

“ My thoughts and prayers are with you and your family. I meet Bert through VACCA many years ago and he was a true gentlemen. Always enjoyed speaking with him as we shared business experiences. He will be missed by many.
