“ I just wanted Cliff's family to know, that I met Cliff while my dad was in Hospice Care at the Bailey Clinic. I only saw Cliff about 3 days before my father passed away, but during that time I would talk to Cliff. Today I decided to look him up and I'm saddened that he has passed away too. I only knew Cliff for 3 days while I was there in St. Augustine, but he really cracked me up and was such a sweet man. He would pet my dog Bear and talk to me while I was going through such a sad time. I remember asking Cliff if his wife is going to come and visit, and he said "well at the moment, she's out dancing" I just smiled at him. He sure did keep the Hospice Nurses on their toes because he was determined to get out of that bed, and he would have the alarm going off quite a bit. Rest In Peace Cliff. You made me smile while I was at one of my saddest points in my life. To the Family, I'm so sorry for your loss.

Love,
Jane Donet

“ Always with a smile and a good conversation, Cliff taught me so much and a short period of time, a wonderful person.
