

## Donald John Segui

January 8, 2018 - November 21, 2018

On January 8, 1943, Don was born in Tampa FL, to Donald and Emma Knowles Segui, and was a member of the Cathedral Basilica. Don's Dad was in the Coast Guard stationed in Tampa during World War II and his Mother worked in Tampa as a nurse. When his Dad was discharged, they returned to St Augustine where Don lived until his unexpected passing on November 21, 2018. He was a graduate of St. Joseph's Academy, class of 1960, attended St. Johns River Community College and earned an Associate's Degree in Business from Sante Fe Community College. During his life he had many careers, but the one he remarked over and over was the most rewarding and satisfying was working with Hospice and Alzheimer's patients. He was a true caregiver at heart...a gift passed down from his Mom. He was extremely proud of his Menorcan heritage, always discussing it with everyone he met. He was also extremely proud of attaining the rank of Eagle Scout and Order of the Arrow while being a member of Troop 63. The night he passed, he had attended a Cub Scout meeting with Zachary, his youngest grandson.

Don was predeceased by his Mom and Dad, and in-laws Mary and Bubba Tart. Mourning his loss are his sister and brother-in-law, Joyce and John Marvick, wife, Rita, children who he cherished and was so proud: Will (Lori), Andre (Anastassia), Marci and DJ (Jen); grandchildren who were his pride and joy: Steffan (Emily Miller), Jessica Jones (Wes), Dustin Heinrich, Bailey, Carissa Corpuz, Ian, Sebastian, Hunter, Elvira, Alla, Liam and Zachary; great grandchildren who were every other beat of his heart: Kieran, Maeleia and Easton Jones. His beloved dogs, Youke and Fred, are both saddened that he is no longer giving them those special hugs and kisses they had grown to know and love. He has numerous cousins, nieces and nephews living in St. Augustine, south Florida, Tyron NC, Tifton, Milledgeville area and Atlanta GA, all of whom he loved dearly.

Since Don's passing, so many people have reached out with stories of kindness, generosity, and mentoring bestowed on them by Don and how significantly he had touched and changed their lives. To you and all the others that I am certain are out there, please pay these acts forward in any way you can; thus allowing Don's memory to live on forever.

A celebration of Don's life will be announced at a later date.

Each and every day try to pass on Don's mantra: "Every day is a holiday and every meal

is a feast” and life is “astronomical”...you will end up with a smile on your face and you will see a smile on the face with whom you are speaking.
