

Ellen Marie Voguit

February 18, 1949 - July 1, 2020

Ellen Marie Voguit, 71, of St Augustine, FL, entered the Kingdom of Heaven when she passed away peacefully at home on July 1, 2020.

She was born to parents Donald Stewart and Grace Orlando, on February 18, 1949, in Reading, Pennsylvania. Ellen graduated from Wilson High School in 1967.

Ellen met Steve Voguit while working at a local department store in June of 1968. They were married on August 16, 1969, and settled in Wernersville, Pennsylvania, where they raised 3 children: Tracey (Pollackov), Melinda (Clark), and Steven.

While lovingly raising her three kids with Steve, Ellen also worked for the Wilson School District for 14 years, first as an elementary school secretary and then as an administrative assistant to the Director of Early Childhood Education.

In June of 1999, Ellen and Steve left Wernersville and moved to Saint Augustine, Florida, to start a new adventure together. While living in Saint Augustine, Ellen had several jobs over the years, including administrative assistant at Flagler College, where she worked for 6 years.

Ellen was a sweet, kind, beautiful soul who never had an unkind word to say about anyone. She was a devoted and loving wife and mother and an absolutely adoring grandmother to her 5 grandchildren. She enjoyed spending time with her family and friends more than anything else. Ellen was also an accomplished quilter and member of her local garden club and enjoyed sharing these activities with the many friends she met throughout the years.

The family has entrusted Craig Funeral Home with the arrangements. A Memorial Service is scheduled for Monday, July 13, at 10:00 am at Craig Funeral Home. Due to Covid-19 restrictions, guests will be limited to 50, but the service will also be live-streamed and recorded via Facebook live for those unable to attend in person.

“ Ellen was always so nice. Greeted everyone, every time with a Big Smile ! I'll never forget how she welcomed our high school golf team to her home several times to celebrate our successes and to be members of the Voguit Family! Tracy was a toddler and I remember when Melinda was just a baby. More recently after decades of being apart, Steve, Ellen and I reunited and there was Ellen again with that warm and beautiful smile! So welcoming ! She was always so patient and kind ! It was so good to be with her and I have been blessed many times over for having Ellen and Steve in my life! I have no doubts that Ellen has a special place in Heaven because she exemplified the Golden Rule and loved everyone!

“ Our memories of Ellen are many, too many to put in one writing. She always demonstrated a sincere interest in the interest of others. After hearing someone express that concept I have come to feel that that is the best definition of love. I think the one who lived life based on that I idea was Jesus. He set an example for all of us to be like him. Ellen always seemed to demonstrate this in the war she lived. She always embraced her family. Accepting a dog (of any size), quilting with friends, going camping whenever, or climbing into some old van at night to go to church. She always made the world a better place wherever she was or whatever she would be doing. We are sorry for your loss but grateful for the chance that we had a an opportunity to be her friend.
Love and God Bless, Bill and Jan, and family.
