“ I did not learn of her passing until 5 Apr 2019. I am a family member that you have probably never heard of. Since Florence was the youngest of a very large family there would be a lot of unknown relatives. I want to send my sincere condolences to the family. I am Douglas Wayne White. I live in Decatur, AL and my Grandmother Minnie Audley McCleskey White was a half sister to Betty. I had no information about Betty, other than the census information. My Grandmother was born in 1885 to William C McCleskey and his first wife Anna Meadows. I knew a few of Betty's sisters and I remember her brother Roy.
