“ Our hearts are truly broken without you Dad. Sitting now at Ron’s with Trish, Katy and Ann reminiscing about what a wonderful person you are. We are getting kind messages from so many people telling us what a special person you are.

We will love you forever.

You daughter,

“ John was the best neighbor you could ever hope to have. Over the past 20 years he answered countless questions, gave sage advice on all things relating to owning (and fixing) a home and freely shared the greatest home grown Jersey tomatoes we ever ate. You knew it was spring when John fired up the rototiller and starting prepping his garden. It was a joy to watch his joy while kicking back to watch his children and grandchildren at onset of summer. We shared his heart break in having to part with his beloved and so vocal cat, Ralph and we laughed together about the absurdities of life. We are thankful for having John in our life. Our love goes out to Ann and all of John’s family at this time. John was truly a hole-in-one person and will be deeply missed. Bill & Carolyn
