

Roger Paul Millecan

July 31, 1959 - January 13, 2020

Roger Paul Millecan was much beloved by friends and family. Born in Rochester, New York, he eventually met and married his high school sweetheart after following her to Florida. He was a talented chef known far and wide across the cozy town of St. Augustine, FL and beyond. At the time of his passing he was working as the Executive Chef at Westminster Retirement Community. Beyond his gift with culinary expertise, he had a way of making people laugh and touching people's hearts. He adored and was adored by his family most of all. He was a doting father to his three children and a loving husband to his wife. He also loved all animals; especially his cats and his daughter's dogs. You could find him enjoying rock music while he lounged by the pool, watching the birds he loved to feed, enjoying the rain from the porch in a rocking chair; all whilst spending time with his family. He was a very loved man and he will be severely missed.

He is survived by his wife, Kathy Millecan; his three children Lauren, Heather and Ryan Millecan; his sister and brother, Donna and Eric Millecan; and paternal aunt, Sister Mary Joan Millecan. Memorial contributions may be made to the Millecan family.

“ I have so many memories from back in High School, We sat next to each other in Algebra and got to know each other while flunking the class. We would eat lunch together and ride around in his Nova. Kathy was my friend and neighbor and they were the best match ever. We have shared many times together and kept in touch over the years, I remember all the notifications of the births of Lauren, Heather and Ryan--I have many Christmas card pics! My family visited with the Millecan's in 2011 and we had a great time, such a wonderful family. It was like no time had passed, I cherish that visit now more than ever.
Always in my heart.

Love, Denise Kendt

“ Throughout high school, the Millecan house was my second home. Kathy and Roger always treated me as one of their own with home-cooked meals, good company, and kind, welcoming smiles...not to mention all the laughs. I am praying for you, Heather, Lauren, Ryan and Kathy. I know how strong you all are. Your closeness with one another will help you get through this. Prayers for peace and comfort for you all.

With love and sincere condolences,

“ My brother Roger had a heart of gold. He loved his wife Kathy and his children Lauren, Heather and Ryan more than words could ever describe. His heart was tender and he was kind. He was an unselfish person and always worked very hard his entire life. He and I had a special connection having loved and lost our dad and mom. The last 5 months that our mom was alive, fighting cancer, he came up 3 times to be with her. He made a trip and arrived in time for our last moments together as a family and my mom cried out "Roger" when he told her he was there. Thus was the love they shared and the capacity of his soul I will miss him every moment until we meet again in heaven. He is in my heart and will be forever. Our hearts are broken but we have been graced with his love and i am thankful. i love you roger, til eternity your sister Donna.
